Spelling tests: We will have a pre-test each Wednesday, and a final test on Friday. If they score a 100% on the pre-test (including all the challenge words) they will not have to retake the test on Friday. On Friday's final test, only one challenge word will be given. If they miss that word it will not count against their score. If they spell the challenge word correctly, it will count as a bonus word that removes one misspelled word from their score.

lunchtime. If you would like to send a box of cereal or crackers to share with the class for a snack that would be so kind!
