## Fishing Lure

We are already 1 week into the quarter. It is great to have the sound of children back. Our focus at school often centers around the spiritual development of

the children, but you will notice further in this letter, opportunities for growth in moms and dads as well. On Monday next week teachers will be asking students about church and Sunday School attendance. These are great opportunities to grow together as a family!

## Free and Reduced Lunch

If you did not pick up an application at Registration Day, you may do so at the CLS office. Your confidentiality in this process will be respected.
