"You can get it when you save up enough money". I remember telling my children that lots of times. Learning to save is an important skill for children to

experience. To help children learn that lesson, we have a "bank" open every Thursday morning through the Lutheran Church Extension Fund. Children may deposit as little as 25¢. When they have collected \$25 their savings book is put on deposit. The money earns interest for the child, and also helps build schools and churches until the child withdraws it. To learn more contact the church or school office. This is something we did for our children and continue to do for our grandchildren.

Volunteers Needed

We are in need of helpers in the library to come in once a week for 3-3½ in the morning or afternoon. If you can help, please contact Mrs. Stortz.

Physicals

Kindergarten parents please remember to hand in your child's doctor's physical, vision exam and immunization update as soon as possible.

7th Grade parents please remember to return your child's completed doctor's physical and immunization update as soon as possible.

Please Call

Just a reminder. . . if your child is staying home due to illness, Dr. appointment, etc. call the school office and report this first thing in the morning. If your child will be leaving school during the school day for an appointment, please SEND A NOTE informing the teacher and remember that you must come to the office – DO NOT GO TO THE CLASSROOM to get your child.
