
Parent Commitment Form

As a parent seeking to bring up godly children, I promise, with the help of God, to faithfully:

- Have my child/children regularly attend school, complete assignments to the best of their ability, and uphold the school in its discipline and policies.
- Have my family gather around God's Word through daily devotions.
- Help my child/children learn their memory verses and explain their meaning.
- Involve myself in the study of God's Word through a regular Bible class.
- Make all payments of fees, registration, and/or tuition as agreed upon.
- Participate with my family in regular Sunday worship.
- Weekly support my church through regular financial gifts.
- Pray for my child/children, their teacher, our school and our nation.

I make this pledge and promise.
